## After School Program 2019-2020

Greetings from the staff of the After School Program! After school begins Monday, September 9th, 2019. The program runs from 2:20 p.m. until 5:30 p.m. Monday through Friday. This year we will have 2 additional early release days that will offer after school from 11:30 a.m. to 5:30 pm, September 20th and January 17th.

The After School Program provides a home-like atmosphere in which there is time for imaginative play, games, arts and crafts, gym and homework. We also occasionally plan for special events and enrichment programs. Nutritious snacks will be provided. **Please note that pick up time is promptly at 5:30 p.m. A late charge will be incurred for late pick up** (LATE pick up FEE: \$15/15 minutes)

The after school tuition payments are through RenWeb and payable on a monthly basis. All families at Saint Peter School are enrolled in our program and you don't have to pay a registration fee. Please let us know you will be using the After School Program by filling this form [After School sign up form](#). This way we will know your child is coming!

The After school tuition will work the same as last year:

- If your children are attending the After School Program **at least one day** a week during the complete school year you are an **IN PLAN family**.
- If your children will be randomly attending after school, only some days, when you need it, you are a **DROP IN family**.

This means, if your children do not attend the program for any reason you will not be billed (Please see exception note below). You will only be billed the days your children physically attend after school. You will not be billed the days which your child was signed up but did not attend with the exception of maintaining the plan. If you have more than one child signed up in the program you can individually choose a plan per student. You will be billed weekly and payments are due monthly.

**PLEASE NOTE:** To maintain the IN PLAN family rate for any student you need to attend at least one day/week, even if you do not attend. (For example: Tommy signs up for after school full time with an IN PLAN family rate, but one week his family goes on vacation and he does not attend any day of the week. The system will only bill ONE day so you don't miss the IN PLAN family rate).

### 2019-2020 Tuition rates:

IN PLAN family rate: \$26/day

DROP IN family rate: \$36/day

HALF DAY extended day (9/21, 10/19, 1/18, and 3/15): \$55/day

Families will have to decide which plan will work best for each student before they start attending after school. Please let us know your choice and the days your children will attend after school by filling out the [After School sign up form](#).

If we don't receive your sign up by the first of October we will assume you are a DROP IN family and you will be billed the DROP IN family rate. We will not be able to accommodate plan changes during the school year unless there is a qualifying life event which is approved by the principal.

We are looking forward to meeting you in September and working together to ensure that your children will have a wonderful year in after school. We will have after school clubs offered to all Saint Peter students with different sports, Lego, chess, Karate, and more! We will have a special event on early release days! If you have any questions please send us an email to [pcarazo@saint-peter-school.org](mailto:pcarazo@saint-peter-school.org).

We are ready to have fun, see you soon!
